

## Invitation Online conference

### “Western consumer behaviour and effects on the African continent towards achieving the SDGs”

**Tuesday, October 27<sup>th</sup> from 5:00p.m to 7:30p.m. (Germany time)**

Dear interested and friends of Africa

We cordially invite you to the online conference:

#### “Western consumer behaviour and effects on the African continent towards achieving the SDGs”

Taking examples of what producers in Africa earn from such important raw materials like coffee and cocoa beans; gold, diamond, coltan etc. (supply chain and working conditions in production countries). Effects of fishing near and in African countries.

What effects do the old clothes, chicken parts and the electrical garbage which end up in Africa have for the market and producers in these countries.

We want to use the online-seminar with experts in Africa and Germany to talk about the effects of some of these examples in the African continent and exchange ideas on what needs to be done.

**The language of the event is English**

**Participation is free of charge**

The technical requirement for participation is an internet-enabled device (computer, tablet or Handy ...)

The event takes place as part of “**Chat der Welten**” programme
